Such occurrences are becoming frequent & should be stopped. In this case the conduct of the Official deputed to clear the packages is not above suspicion. A separate order should issue that more responsible officials than a packer should in future be sent to clear these goods from the Railway Stats with strict instructions to carefully examine the packages before taking delivery. Any neglect on the part of the Official will make him personally responsible for any loss sustained by Govt.

Sir,

In acknowledging the receipt of G.O.No.G.6055-6/G.M.224-17-8 of the 28th October last, I have the honor to state that as per para 9 of the tender notice, dated 21-11-16, copy of which is herein enclosed, the rates tendered by the several contractors for supply of stationery are for delivery at the Stationery Office, and it is there-fore incumbent on the contractors to deliver goods invaribaly at this office, either in person, or through their agents. In the absence of their agents, they have to accept all risks arising from shortage of goods. In both the cases referred to in the Government Order, the parties have booked the consignments and sent railway receipts. On clearing the same and examining the contents, deficiencies were noticed and the parties should therefore accept deduction in the cost of such articles. As payment has not yet been made to the parties in question this aspect of the matter will be insisted upon.

MYSORE GOVERNMENT STATIONERY DEPOT.

TENDERS FOR THE SUPPLY OF SUNDRY STATIONERY REQUISITES.

Notice dated 21st November 1916.

Sealed tenders for the supply of sundry stationery articles required for the Government of Mysore, during the official year 1917-18 (commencing from 1st July 1917), will be received by the Superintendent of Stationery, Mysore Government, at his Office at Bangalore, up to 1 P.M., on Monday 29th January 1917.

2. Tenders should be superscribed "Tender for the supply of sundry stationery articles," and should be accompanied by samples and a receipt for a sum of Rs. 250, as earnest money deposited in any of the Mysore State Treasuries, or in the Bank of Mysore, Bangalore, or the Bank of Madras, Madras or Bangalore, or Messrs. Coutts & Co., London. No cash or currency notes will be accepted as earnest money. Earnest money will be returned to unsuccessful tenderers.

3. Samples of the required articles of stationery used by the Government of Mysore can be seen at the Mysore Government Stationery Depot, Bangalore, any day, except Sundays and holidays, between the hours of 11 A.M. and 4 P.M.

4. The successful tenderers will be required to execute a security bond in the prescribed form on 8 annas Mysore Government Stamp paper and to deposit a security of five per cent on the value of the articles for which the tender is accepted for the due fulfilment of the contract. This security may be in Government of India Pro-notes endorsed to the Dewan of Mysore, or in Mysore Government Savings Bank deposits made under para 9 of the Savings Bank Rules.

5. The schedule annexed hereunder shows probable requirements; and the quantities shown are only approximate. *Should additional supplies be required during the year, beyond the quantities stated in the tender form, contractors must be prepared to furnish such additional supplies at their tendered rates.* The contractors will be bound to make good to Government any loss which may arise from their failure to supply in time and thus put Government to the necessity of purchasing the articles specified in the contracts in the local Market at higher rates than those contracted for.

6. The contractors must make deliveries of articles within three months from the date of orders from the Superintendent of Stationery, in quantities as may be required by him from time to time. It shall be in the discretion of the Superintendent to extend the time for such delivery, on reasonable cause being shown. All supplies will be subject to strict examination by the Superintendent of Stationery. Articles not up to quality and sample will be rejected and will remain at the risk of the contractors.

7. Payments for articles supplied will be made on bills to be furnished in duplicate after acceptance by the Superintendent of Stationery, such payments, falling due on or after 1st July 1917.

8. Tenders must be submitted on forms which can be had on application to the Superintendent of Stationery.

9. Tenders must specify the rate at which the tenderers agree to supply. These rates must include packing, shipping, carriage, and all other charges up to delivery at the Office of the Stationery Depot, Bangalore.

10. Tenders will be opened by the Superintendent at his Office at 3 P.M., on Monday 29th January 1917, in the presence of such tenderers as may choose to attend.

11. With the exception of the envelopes which have been required to be impressed with the words "Government of Mysore" such of the other articles (such as pencils, candles, wax, etc.) of the schedule as could conveniently be impressed with the letters "M. G." should be marked in a suitable place.

12. The Superintendent reserves the right of rejecting any tender in whole or in part without assigning any reason therefor.
